TIPS FOR PRINTING & USE:

If possible, print on card stock and laminate or cover with clear contact paper for durability.

Ideas for use:

1. Cut out around playing board and cards. Give each player or team one playing board from page 2. Lay out all or selected cards in a loose pile between players.
2. For easiest play, have cards face-up and allow players to select the cards they want. The winner is the first to find 3 of each verb tense.
3. For more challenging or team play, have cards face-down and return unused cards to the pile. The winner is the first to find one of each verb type (-ar, -er, and -ir) for each verb tense. Provide a verb conjugation guide, if appropriate.
4. Use the blank board and cards on pages 8 and 9 to make your own Spanish Lotto games!
